MESSAGE FROM THE MAYOR

Hello Rexburg! The Spring and Summer always bring fun times to our community and I'm so grateful to our City and the Recreation and Art Departments for offering so many amazing programs! This year is no different with many great options to get out and be active!

Our outdoor water park, Rexburg Rapids, is a wonderful amenity in our community. The facility offers a safe, welcoming environment with high-quality experiences for our community of all ages, and we prioritize affordable admissions! We will be kicking off the season on June 6th, 2024! You can also sign up for swimming lessons at the facility with one of our great instructors. It's a great way to stay safe and beat the heat of the summer, but hop on it! They sell out fast!

Do you remember your New Year's resolution? Maybe you'll want to check out our Teton Dam Marathon! The race will have multiple lengths for you to sign up for. There is a race for everyone!

Our Art Department's weekly creative classes have been a great success this year. Painting workshops for children, teens, and adults will continue at City Hall. The popular youth theatre camps return to the beautiful Romance Theater in July

and August with two shows, "Stone Soup" (ages 6-11) and "Footloose the Musical: Youth Edition" (ages 12-18). I'm so excited to see the kids' hard work pay off. I hope you will join me for their performances!

I really appreciate the accessibility of all of these programs. There is fun to be had for everyone and by everyone. It's so important to stress the necessity of recreational opportunities. Please get out and get involved with your family. The benefits to both our mental and physical health can't be understated.

Be sure to find us across our social media accounts; we're on Facebook and Instagram. We'll be featuring updates about all of these programs and more throughout the year. It's the best way to stay informed with what is happening in and around the City of Rexburg.

FLOOD OF MEMORIES: JUNE 1ST

One Saturday morning in June 1976, the Teton Dam collapsed, flooding the Snake River Valley with 80 billion gallons of water. Join us at our historic theater on Saturday, June 1, 2024, at 1:00 p.m. as we pause to remember "the dam that broke and built a community." Please bring photos and memories to share.
